

CHRISTMAS 1981

And the angel said unto them, "Fear not: for behold, I bring you good tidings of great joy, which shall be to all people." Luke 2:10

FEAR NOT!

Into the darkness of the world,
a world gripped by fear and evil,
came the angels to the shepherds
with these words of joy and hope.

The birth of Christ had taken place in Bethlehem
as the prophets had spoken of old;
their Lord and Savior had come
to save them from the darkness of evil and despair
that gripped their lives.

FEAR NOT!

These words of joy and hope can cast light
into the darkness of our lives today.

When life is darkened by fear, despair, suffering or grief,
these words come to us

with the promise of all God has done in Christ
to drive back the darkness of our lives
through the light of His love.

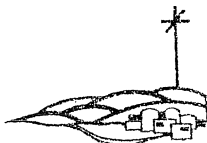

God comes into our world
in the light of Christ,

and through Christ, He overcomes all
that would wrest our lives from Him.

In Christ, He comes to us,
and He comes for us
bringing us
PEACE, JOY and HOPE.

FEAR NOT!

Have a blessed Christmas.

Peace, Joy and Hope in Christ,
