January was an exciting month for all our students. They were busy in class doing activities for our winter themes of weather, Arctic animals and more! The V.P.K. students began memorizing sight words. Hopefully, you are helping them practice these words at home. We have a few students who need extra help. Even five minutes a day working with your child can make a difference. Knowledge of the 25 sight words will allow your student to make an easy transition to reading.

It is once again time to prepare for **Valentine's Day**. Please start to help your student write his/her name on the back of 15 Valentine cards. It is **not necessary** to write the students name on the envelopes as it complicates the delivery. If you have a child who is ready to write all the names on the envelopes, see me and I will provide you with a list of class names. This would mean the parent is watching not writing for their child. Please send your valentine cards into class, **signed on the back** with your child's name, on **February 9th or 10th**. We let the children deliver to little mailboxes they've handmade in class and it takes a few days. Students will bring the Valentine cards home on February 14th, after our party. The Valentine's party is a cookie decorating party in class. Parents are not expected to attend this event.

****PLEASE NOTE: SCHOOL WILL NOT BE HELD ON FEBRUARY 18th OR PRESIDENT'S DAY FEBRUARY 21st****

Have a Loving Month and a Happy Valentine's Day,

Sandra L. Collins, Nancy Fife, and Amanda Manning
